

§ 291.17

36 CFR Ch. II (7–1–16 Edition)

(k) The permittee will comply with any vehicle or access restrictions, safety or environmental restrictions, or local safety conditions or restrictions.

(l) The permittee will report suspected resource damage or theft of paleontological or other resources to the Authorized Officer in a timely manner after learning of such damage or theft.

(m) The permittee will acknowledge the Forest Service in any report, publication, paper, news article, film, television program, or other media resulting from the permittee's work performed under the permit.

(n) The permittee will comply with the timeline established in the permit for providing a complete list to the Authorized Officer of specimens collected and the current location of the specimens.

(o) The permittee will provide scheduled reports to the Authorized Officer within the timeline established in the permit.

(p) The permittee and/or approved repository will be responsible for all costs for the proposed activity, including fieldwork and collections maintenance, unless otherwise addressed in a separate written document.

(q) The permittee will comply with the permit terms and conditions established by the Authorized Officer, even in the event of permit expiration, suspension, or revocation.

(r) Additional stipulations, terms, and conditions as required by the Authorized Officer and/or the Agency may be appended.

§ 291.17 Permit reports.

Permit reports must contain the following information as appropriate:

(a) Permittee(s)' name, title, affiliation, and professional contact information;

(b) Permit number;

(c) Date of report;

(d) Project name, number, or reference;

(e) Description of project, methodology, or summary of research scope of work;

(f) Dates of field work;

(g) Name(s) of people who performed field work;

(h) Description of work performed or accomplished and a summary of results and discoveries;

(i) Summary of regional or local geology and/or paleontology including context, geography, stratigraphy, and geological unit;

(j) Identification of potential impacts to paleontological resources by proposed land use action;

(k) Mitigation recommendations to address potential paleontological resource impacts;

(l) Relevant literature citations;

(m) Relevant associated records, including anything that aids in explaining, clarifying, or understanding the findings;

(n) Listing of collected paleontological resources, including field numbers and field identifications that are referenced to specific localities;

(o) Repository name, identifying acronym, and address;

(p) Repository official name, title, and contact information;

(q) Approved repository accession and/or catalog number(s);

(r) Assigned locality numbers;

(s) Administrative area (State, county, ranger district, forest, and so forth);

(t) Map name, source, size, edition, projection, datum, and/or other mapping information;

(u) Geographic location, survey data, and/or related metadata;

(v) Paleontological taxa collected, observed, or in a repository;

(w) Resource identifications, condition, location, and quantity; and

(x) Recommendations or information for the approved repository regarding the condition or care of collected resources or associated records.

§ 291.18 Modification or cancellation of permits.

The Authorized Officer may modify a permit, consistent with applicable laws and policies, when:

(a) The Authorized Officer determines that there are management, administrative, or safety reasons to modify a permit; or

(b) A permittee requests a modification in writing.
